

Community Alternatives, Incorporated

-----A Nonprofit Corporation-----

To Whom it May Concern:

I am providing this letter of reference to attest to Jim Burdick's experience and success as a Licensed Professional Counselor. I have had the pleasure of working in collaboration with Jim who has been providing pro-bono counseling services at our not-for-profit community mental health agency as a volunteer clinician. I have observed Jim using a combination of Freedom Thought Therapy, Cognitive-behavioral interventions, Motivational Interviewing, and Spiritual Guidance in responding effectively to a multitude of co-occurring mental and medical health concerns, including chemical dependency, mood and anxiety disorders, PTSD, intractable chronic pain, and those living with HIV and Aids. Jim has dedicated himself, as have we at Community Alternatives, to providing access to quality mental health services for those in our community who have historically been underserved in this capacity. I have observed Jim to be a compassionate, reliable, skilled professional and I trust you will find him to be a tremendous asset in his work with your organization.

I take a great deal of pride and have a great deal of confidence in providing this letter of reference.

Sincerely,

John Winn, LCSW
